Class Of

To the senior class...

Where did the time go? Just four years ago, as freshmen, we were entering high school with no idea of the great things waiting for us at Wachusett. We soon learned our way around, made our way through crowded hallways, and met about as many new people in four years as most people meet in their entire lives. We learned to work hard, but still knew when to kick back and have a good time. YOLO, right? Our class definitely embraced that motto.

There were lots of fun memories, like the countless homecomings, winter carnivals, and proms where we had amazing times. Sports were also a big part of our lives and we cheered our hearts out in the badlands for our amazing teams.

We had impressive school spirit. Who can forget our domination of homecoming week with our social networking banner and the tug of war? Our values were even greater. We worked together for Recycling Wars, Take Back the Tap, No Makeup Monday, and so many other great causes.

We were an amazing class and we will continue to do great things!
Good luck to the Wachusett Regional High School Class of 2013.
